ACKNOWLEDGEMENT OF COMPLETION
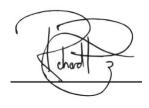

This is to certify that

Thato Thapo

has successfully completed a semester long Foundation Programme in Design Thinking at the Hasso Plattner School of Design Thinking in Afrika* at the University of Cape Town held from 23 August 2022 to 07 October 2022.

The learning outcomes of the programme include:
- Demonstrate understanding of the design thinking mindsets & process
- Demonstrate understanding of the role empathy plays in human-centered design
- Demonstrate creative confidence to discover and solve real-world problems
- Identify and illustrate stakeholder relations in wicked-problem ecosystems
- Examine solutions and appraise user feedback to demonstrate empathetic design practices
- Operate effectively and communicate collaboratively in multidisciplinary teams
- Create presentations and artifacts to communicate creative ideas
